

Mothercraft College

Infant Toddler Post Diploma Seminar for Early Childhood Educators

This is a seminar for Early Childhood Educators who are interested in working with infants and toddlers and are looking to provide quality in infant and toddler programs.

During this seminar, you will learn:

Research has shown us that infants and toddlers have very distinct needs that must be met in order to ensure their healthy development. Mothercraft offers this unique seminar which builds on the knowledge learned through an Early Childhood Education program. This is an excellent session for individuals who have interest in working specifically with infants and toddlers

NOTE: Space is limited.

Date: Wednesday, April 14th 2010 **Time:** 3:30 – 5:30 pm **OR** 6:30–8:30 pm

Location: Mothercraft College, 646 St. Clair Avenue West, Toronto ON M6C 1A9
