**About Mothercraft:** Since 1931 Mothercraft has been a leader in supporting healthy child development, working with our many community partners to meet the changing needs of families. We are committed to excellence, continually testing new concepts and ideas related to healthy child development. We are known for our ability to translate these critical research learnings into everything we do – from our high quality childcare and enrichment programs, to our services for children and families with special needs, and specialized training programs for childcare providers and other professionals. Mothercraft values diversity and strives to create an environment that is welcoming and inclusive.

**About Mothercraft's Centre for Early Development and EarlyON CFC Department:** Mothercraft operates three Centres for Early Childhood Development directed by the same goal: "to support healthy child development across all families". The Centres offer enriched quality, full day learning from 3 months to 6 years of age. The hours of operation are generally from 7:30am to 6:00pm Monday to Friday. The EarlyON Child and Family Centre provides opportunities for children from birth to 6 years of age to participate in play and inquiry – based programs, and supports parents and caregivers in their roles. It offers safe and welcoming environments open to all families. Families and caregivers will be able to find support, advice, make personal connections and access a network of resources.

### **Position Description:**
